Astro & Particle Physics

i20fever played a crucial role in helping me fulfill my dream of studying in Germany. From shortlisting public universities to assisting with visa documentation, their guidance made the entire process smooth and stress-free. Thanks to their unwavering support, I have successfully enrolled in my Master's program. I highly recommend I20 Fever to anyone planning to pursue higher education abroad

EBERHARD KARLS UNIVERSITÄT TÜBINGEN

I am truly grateful to i20fever Consultancy for their expert guidance in securing my Germany student visa. Their support-from helping me choose TU Bergakademie Freiberg to preparing my documentation and guiding me through every step of the visa process—made my journey smooth and successful.
